Dear Camp Parent/Guardian,

This summer we will help get the kids back to the fun and adventure of childhood, with a greater emphasis on social-emotional growth and character development.

At camp we are focused on campers' safety, as well as, helping them excel through numerous opportunities. Space will be limited. Y Camp intentionally spotlights three areas of development which help children grow: friendships, accomplishment and belonging. At camp, we can:

- Develop friendships with new and returning campers,
- Gain new skills that build confidence,
- Acquire a sense of belonging in a community.

Why do parents choose YMCA Day Camp?

Well-Trained and Energetic Staff: We take your child's safety seriously. Staff must pass numerous tests before being hired, then complete over 30 hours of training.

Variety of Activities and Experiences: We do not babysit our campers; we develop strong, smart, compassionate children. In order to do so, we meet the growing diversity of our camper base and give everyone a chance to excel, we offer a broad variety of traditional & non-traditional experiences. Some of our activities include: sports, gardening, themed activities, camp crafts, service in the community, guest speakers, literacy, STEAM, swimming, water safety, life skills, daily devotions, nature play, and more.

We are more than a gym: At the Y, you're not just a member of a facility; you're a part of a cause, with a shared commitment to nurture the potential of youth, to improve health and well-being, to give back and support our neighbors.

WHO WILL BE WITH MY CAMPER?

The foundation of any camp experience is strong, positive relationships between camp staff, campers and parents. We are proud of our exceptional staff who provide leadership and serve as role models to our campers. Each year, we select young men and women who have displayed a sincere interest and concern for the well-being of children. Many of our staff have been Y campers who want to come back and make summer memories for others! Numerous counselors love their job so much, they return again and again.

We conduct background checks, reference checks, and drug screenings on all camp staff. Staff must complete 30 hours of pre-camp training including:

- CPR, First Aid & AED certifications
- Child development
- Team building & group work
- Social & emotional learning/behavior management
- Child abuse prevention
- Best practices for YMCA Day Camp
- Playground safety
- Techniques to encourage all campers to be inclusive while celebrating our differences
- Aquatic safety
- Literacy & Math activities

Afterschool/Camp Director, Ronda Bunn, oversees camp. The Site Director who is at least 21 years old, has leadership experience and a love for kids, is responsible for the daily supervision of camp. Senior Counselors are college students or graduates, all over the age of 18 years. Junior counselors, 16 & 17 years old, serve as assistants to adult, seasoned staff.

Everyone's safety is our top priority. Camp will have a staff to child ratio of 1:10. We will follow the most current protocols in order to keep campers and staff safe and healthy.

Where can you find us?

AT CAMP, WE CAN!

Friendship, Accomplishment, Belonging

There's nothing like Y camp. We have been in the camp business for years and this summer will not disappoint! Most of our activities will take place outside, as camp was meant to be. We will get dirty every day. We will play, create and learn as we strive to be our best selves.

Huddles

A huddle is a group of campers your child is assigned to for the week. A huddle participates in activities together throughout the day. Each huddle will consist of one staff with ten campers. Your child's huddle will remain the same in an effort to build strong friendships, as well as, keep the spread of germs to a minimum.

BEAD NECKLACES & PATCHES

Bead Necklaces are a very important tradition at summer camp. All campers may earn beads for displaying traits that show good character, learning weekly Bible verses, and family participation. If a child does not wear his/her necklace, he/she may not earn a bead that day (simply because beads get lost if they cannot be put on a necklace). If a child loses his/her necklace, we will replace the lanyard, but not all of the beads. Please help your camper remember to wear the necklace daily.

Bead colors and their meanings:

Red=Caring	Purple=Faith	Blue=Honesty	Yellow=Respect
Green=Responsibility	White=Family Participation	Aqua=Swimming milestone	
Grey=STEAM accomplishment	Orange=Mission Statement		
Brown=Gardening	Black=Bible Verse Memorization		

SNACKS AND LUNCHES

The YMCA will be partnering with Stanly County Schools Child Nutrition Services to provide two snacks and a free, healthy lunch for a portion of camp. Days to be announced.

SWIMMING INFO

Campers should bring their bathing suit and towel everyday. All campers will take a swim test to determine their ability in the pool. Campers will swim several times each week. They will play water games and messy activities the other days, so bathing suits and towels will be needed daily.

Campers who show weakness in swimming may be given the opportunity to take free swim lessons each morning for a two-week class offered by YMCA camp/swim instructors.

Campers with open sores and rashes will not be allowed to swim. This determination will be made by our Aquatics Director.

FIELD TRIPS

This year we are planning on having fun and educational field trips for all of our campers. Trips TBA.

When turning in the notice on time, you will then only be responsible for 50% of the weekly balance, instead of the full amount. OPEN DOORS SCHOLARSHIP OPPORTUNITIES

The YMCA's Open Doors Scholarship Program was implemented in 1990. Through this plan, a sliding fee scale is used to determine membership & program assistance available based on need. Proof of gross family income is required.

Assistance may be obtained by completing an application, which is available at the YMCA Membership Desk and gathering necessary documentation. Please leave this information with Ronda Bunn, Afterschool/Camp Director

Money to help fund summer day camp assistance is provided by the United Way and various grants.

RETURNED PAYMENTS

By chance, if the draft is declined, The Y has the right to redraft your account at any time. If payment is not made on time, there will be a \$10 late fee added if the balance is not taken care of by that Friday. If the weekly payment is not made by the next Monday, care will be suspended until the balance is paid.

Should you at any time have a financial problem, immediately contact Ronda Bunn, Childcare Director at 704.982.1916.

HELP YOUR CAMPER BE SUCCESSFUL

- Please send your child to camp each day healthy and properly dressed. Tennis shoes and play clothes are required.
- Discuss any questions, comments or concerns with your site director/camp leader.
- It is essential that you keep your registration information, phone numbers, and emergency contacts current. Notify Ronda Bunn, Childcare Director, with any changes at rbunn@stanlyymca.org.
- Account balances must be kept current. If you should experience a difficult time meeting your obligations, contact Ronda Bunn, Childcare Director

CUSTODY & VISITATION

In cases of separated or divorced parents where visitation rights are denied to one parent, we cannot deny releasing the child to that parent unless a court decree or separation document is on file forbidding that parent from picking up the child from our program or from picking up at times not allowed by the courts.

STAFF BOUNDARIES

1. Y staff and volunteers are not allowed to transport children at any time in their personal vehicles.
2. Y staff cannot babysit campers.
3. State law mandates the Y to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
4. Y staff cannot communicate with campers through text, Facebook, Twitter, or other means of social media.

SUGGESTIONS FROM THE EXPERTS, OTHER PARENTS:

- Dress for the weather. At camp we spend much of our time outdoors.
- For safety reasons, campers must wear tennis shoes. Kids can't run and play in slides or sandals. You don't want your child to get injured or stung if wearing the wrong shoes.
- Campers get dirty at camp. Don't send them in nice, new clothes. Send them in old play clothes. You will not be sorry!
- Send a bathing suit and towel everyday. Even if your child's group isn't scheduled to swim, they may play some outside water games.
- **LABEL EVERYTHING!!!**
- Don't send money, toys or any items of value. They should be left at home where they are safe. The kids are kept so busy at camp that they don't need these things. Staff are not responsible for lost, stolen or broken items.
- Meet the staff. They will be spending long days with your child. We can work as a team to provide a great summer for your camper if we know each other.
- In order to give your child the most positive group experience, arrive no later than 9am and stay until at least 4 pm.

WHAT IF I AM LATE PICKING UP MY CHILD?

We ask that participants be picked up promptly by the end of the camp day. We understand that unavoidable situations may sometimes arise. If you find that you are going to be late, please call immediately to let us know so that neither staff nor your child will worry. You will be required to pay an additional fee of \$10.00 for each 10 minute increment past closing time that staff must wait with your child. You will be drafted this amount the next day.

After waiting with your child for 15 minutes, camp staff will begin calling those allowed to pick up on his/her registration form. If staff has waited for 30 minutes you have made no contact with us, then we will call the proper authorities.

SAFE & HEALTHY

Summer is a time for fun, but also a time for heat, sun, bugs and ticks. Campers will be outside most of the day, but we monitor the heat index and air quality. We adjust our day to avoid overexposure. Campers always have access to water and will take breaks often in shaded places.

We encourage you to pack a few things to help avoid these health issues. Our staff will constantly be reminding campers to drink plenty of liquids and protect themselves from bugs, ticks and the sun. Packing the following items will help your child to have a great week:

Bug repellent (non-aerosol)-This can make life at camp much more comfortable! (This will be left at front desk for child to use when necessary. Please label clearly.)

Sunscreen (SPF 30 or higher)-We will be spending a great deal of time outdoors. Please pack sunscreen, clearly labeled, to keep your camper from getting sunburned. (This will be left at front desk for child to use when necessary.) **Please apply before coming to camp**, in order to comply with our child abuse prevention guidelines, the application of topical products will take place in an open setting and an medical form is required. Staff will help if absolutely necessary for Kindergarten and 1st grade campers and will supervise the application of the products for our older campers. Please label clearly.

Water bottle, hat and sunglasses-All are helpful items for beating the heat and protecting campers.

FOOD ALLERGIES/RESTRICTIONS

On the Camper Registration Form, please include any dietary restrictions or food allergies your camper may have. It is important for us to have this information so that we may notify SCS Child Nutrition Services of any special menus that need to be prepared for the campers receiving lunch. It is also helpful to remind opening staff on the first day of camp.

SICK CAMPERS

When children come to camp, they must be healthy, injury-free and well enough to fully participate. Please **do not send your child to camp** if he/she has had one or more of the following in the last 24 hours:

- A temperature of 100° (or higher)
- Vomiting or diarrhea
- Head Lice, including visible nits
- Anything contagious: i.e., Chicken Pox, Hand Foot & Mouth Disease, rashes of unknown origin, Pink Eye

A staff member will call you immediately to pick up your child if he/she becomes ill while at camp.

In the event of a medical emergency, we will take the necessary actions for the health of your child and make every effort to contact you.

Parents are responsible for their child's primary accident insurance when using the YMCA and when participating in YMCA programs off-site.

The Aquatic Director will determine whether or not a child with a rash or open sores may swim.

MEDICATIONS

If possible, medications should be administered at home. If it is required during camp, it will be administered under the following conditions:

Only Site Directors can **administer medication** to campers, when the proper form has been completed and signed by parents. One of the "Permission to Administer Medication" forms is included in this packet. If needed, they are also available from the Site Director.

All medications must be sent in the **original container**. Physician's directions must be clearly written on prescription medications. At no time is a child to possess any medications (including over the counter) in his/her personal belongings.

*****All **inhalers and epi-pens** must be kept in a medication box which is easily accessible and can be obtained in a moment's notice. If a parent requests, in writing, that the inhaler and epi-pen be kept with the child, we will honor the request, provided the child can demonstrate responsibility for the use and possession of items. Any misuse or misplacement of these items during camp will be cause for the inhaler to be kept in the medication box.

BEHAVIOR EXPECTATIONS

At camp, we want everyone to be safe and successful. The YMCA wants every child to enjoy the activities planned and benefit from their experience. Your child's participation in YMCA Summer Day Camp depends upon his/her behavior. Staff regularly goes over rules and expectations to be sure campers understand what is appropriate behavior to make camp safe and fun for all. **The use of cell phones and electronics are not allowed by campers.**
